CLAAS OFFICIAL RECOMMENDATION

Dear Partner,

Snap-On Climate Solutions is glad to inform you that CLAAS, one of the most agriculture vehicle providers in the world, recommends the air conditioning unit made by Ecotechnics, ECK LAND, for the distribution into own French dealership network.

Recommended for recharging and maintenance's operations on agricultural and earth moving vehicles A/C systems, this machine is the synthesis of Ecotechnics technology and competence.

ECK LAND approval n. QIK4V2A000002A

Best regards,

Alberto Bechis
Vice President
